Independent Auditor's Report

To the Board of Directors of Partnership for Nutrition in Tanzania (PANITA)

We have audited the accompanying financial statements of the Partnership of Nutrition in Tanzania (PANITA), which comprises the statement of income and expenditures for the year ended 31st December 2018, and notes to the financial statements, including a summary of significant accounting policies.

Opinion

In our opinion, the accompanying financial statements of the Partnership of Nutrition in Tanzania for the year ended 31 December 2018 are prepared, in all material respect, in accordance with the accounting policies described in Note 1 to the financial statements.

Basis for Opinion

We conducted our audit in accordance with International Standard on Auditing (ISAs). Our responsibilities on those standards are further described in the Auditor's responsibilities for the Audit of the financial statement section of our report. We are independent of the organization in accordance with ethical requirement that are relevant to our audit of the financial statement in Tanzania, and we have fulfilled our ethical responsibilities in accordance to these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our opinion.

Emphasis of matter

We draw attention to Note 1.8 in the financial statements, which indicates that Partnership for Nutrition in Tanzania considers itself exempted from Income Tax based on the criteria in the income Tax Regulation which accord this status to an entity that performs charitable activities and whose net income is within the required limits or, if higher is to be utilized for future charitable activities.

However, according to section 64(8)(b) of the Income Tax Act, the entity is considered to be a charitable organization after receiving a ruling issued by the commissioner of Income Tax stating that it is a charitable organization or religious organization.

Based on the nature of the entity's operations and its source of income there is no material potential liability relating to current and deferred tax expenses. Therefore, our opinion is not modified in respect of this matter.

Basis of accounting and restrictions and distribution and use

Without modifying our opinion, we draw attention to Note 1 in the statement of income and expenditure, which describe the basis of accounting. The statement of income and expenditure are prepared to assist PANITA to comply with the statutory requirements and donor contractual requirements. As a result, the statement of income and expenditure may not be suitable for other purposes.

Our report is intended solely for the information and use by management of PANITA, Irish AID, Graça Machel Trust, Save the Children and IMA World Health. The Government of United Republic of Tanzania, members and other key stakeholders. Distribution of this report to any other parties is for information purposes only and that we accept no duty of care to them (individually or collectively) whether in contract or in tort or under statute or otherwise (including in negligence) with respect to this report.

Responsibilities of Management and the board of Directors of the financial statements

The management of PANITA is responsible for the preparation of these financial statements in accordance with the accounting policies described in Note 1 to the financial statements and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so. The Board of trustees are responsible for overseeing the organization's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that include our opinion. Reasonable assurance is a high level of assurance, but is not guarantee an audit conducted in accordance to ISAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of the internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
